

# ENUM Testbed

Jim Reid

[jim@rfc1035.com](mailto:jim@rfc1035.com)

# Requirements

- Still to be gathered
- Silence from WG so far:
  - Does nobody care?
- Possible needs:
  - Interconnect with steam-phones (PSTN)
  - General routability of numbers

# Discussions

- Ofcom is considering my request for an ENUM testbed number range
- Could set a precedent, so don't expect this to proceed
- Offer of some numbers from a UK VoIP provider
